1.0 THE DHS MENTOR-PROTÉGÉ PROGRAM

1.1 SCOPE

The DHS mentor-protégé program is designed to motivate and encourage large business prime contractors firms to provide mutually beneficial developmental assistance to small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns. The program is also designed to improve the performance of DHS contracts and subcontracts, foster the establishment of long-term business relationships between DHS large prime contractors and small business subcontractors, and strengthen subcontracting opportunities and accomplishments at DHS.

1.2 DEFINITIONS

(a) MENTOR, as used in the Mentor-Protégé Program, means a large business concern that demonstrates the commitment and capability to assist in the development of a small business protégé.

(b) PROTÉGÉ, as used in the Mentor-Protégé Program, means a small business concern that is independently owned and operated, not dominant in its field, and meets federal size standards in its

primary NAICS code. This includes small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns.

1.3 NON-AFFILIATION

1.4 GENERAL POLICY

(a) Eligible large businesses (not included on the "Debarred" list) approved as mentor firms will enter into agreements with eligible entities as defined in Section 1.2 as protégés. Mentors will provide appropriate developmental assistance to enhance the capabilities of protégés to perform as prime contractors and/or subcontractors.

(b) Mentor-Protégé activity will be available to any type of contract deemed appropriate by DHS when the requirement for a subcontracting plan is anticipated.

1.5 INCENTIVES FOR MENTOR PARTICIPATION

(a) Mentors may receive additional evaluation points (for Mentor-Protégé Program participation) toward the award of contracts during the evaluation of competitive offers.

(b) Mentors may receive credit toward attaining subcontracting goals contained in their DHS subcontracting plan(s) for Mentor-Protégé participation on a dollar for dollar basis by counting protégé developmental assistance costs in their various small business subcontracting categories, as appropriate, in addition to traditional subcontracts.

(c) Mentors will be eligible for an annual award presented to the mentor firm providing the most effective developmental support to a protégé. The OSDBU, in consultation with senior DHS management, will solicit nominations from participating mentors and determine the award winner.

1.6 MEASUREMENT OF PROGRAM SUCCESS

(a) An increase in the quality of the technical capabilities of the protégé firm.

(b) An increase in the number and dollar value of contract and subcontract awards to protégé firms since the time of their entry into the program attributable to the mentor-protégé relationship (under DHS contracts, contracts awarded by other Federal agencies and under commercial contracts);
